EQUAL OPPORTUNITIES FOR STUDENTS POLICY

Introduction

The Gateway Academy is made up of a broad range of individuals and groups with a wide variety of backgrounds, experiences, lifestyles, languages and cultures. The Gateway Academy is proud of this diversity which enriches all the lives of those in the Academy and the educational processes and informs our 'Inclusive Approach'.

It is part of the Academy's role to promote the benefits of such pluralism and to challenge all prejudicial and discriminatory practices. The Gateway Academy is therefore committed to a policy of inclusion, eliminating discrimination and any practices which contribute to inequality on the grounds of race, gender, religion, sexual orientation, ability and disability.

It is the duty of all members of The Gateway Academy's community, teaching and support staff, parents and carers, students and Board of Directors, to uphold this policy and see that it is put into practice.

1 Aims

- 1.1 The Board of Directors aims to provide an appropriate learning experience for all students, whatever their race, gender, religion, sexual orientation, ability and disability. The Gateway Academy has high expectations of all students.
- 1.2 The Gateway Academy aims to provide students with the opportunity to learn in an environment free of prejudice. It is the responsibility of all staff to educate against any form of prejudice or negative stereotyping and to ensure that their conduct with students and colleagues reflects this responsibility at all times.

2 Teaching

- 2.1 Teachers are responsible for ensuring that:
 - i teaching styles, methods, language, questioning and classroom management includes and engages all students;
 - ii suitable resources are chosen which motivate and are sensitive to different groups, cultures and backgrounds;
 - iii stereotypes and what are thought to be stereotypical activities are effectively challenged;
 - iv teaching strategies are reviewed in relation to variations in learning and attainment and in the light of known good practice; and
 - v they are aware of possible cultural assumptions and bias within their own attitudes.

- iv ensuring that the performance of different groups of students is monitored and evaluated so that the particular needs of different students are met; and
- v the impact of additional support on standards achieved is evaluated.

3.2 It is essential that there is an appropriate response to identified patterns of attainment, progress, behaviour, attitudes and attendance. It is the responsibility of leaders to ensure that:

- i strategies should be implemented to raise performance, aspirations and self-esteem;
- ii staff development is provided to raise awareness of differences in need and to promote strategies to raise achievement in all students; and
- iii an environment is created which affirms and supports ethnic, cultural, religious and social diversity and effectively promotes good personal, community and race relations.
